

To,

The Principal,

Dear Sir/Ma'am,

Subject: Spreading compassion for animals; Living Free desires to improve the lives of animals in India.

Respectfully, I inform that we are a group of animal protection advocates running Living Free-(Respective city) the Local Chapter of a national 'Living Free' programme. This activity forms a part of the Living free programme run by the Federation of Indian Animal Protection Organisations (FIAPO), spreading the message of compassion towards animals.

It is my humble request to you to kindly grant us permission to visit your esteemed college to distribute our animal welfare leaflets and hold a small talk at your campus.

Through these activities of leafleting and talk we want to imbibe in the students the feeling of compassion towards animals and thus make conscious choices.

Therefore, I would be grateful if you would allow me to do the requested at your college. For any queries/communication in this regard, you can please contact at mobile below.

Thanking You,
